2024 annual report

ars86care
foundation

children

environment

education

2025 is a new hope for the ars86care foundation in facing the current global economic uncertainty.

The ars86care foundation is closing 2024, with several collaborative programs, including collaborating with the Ministry of Women's Empowerment and Child Protection in the Training of Auditors for Child-Friendly Playgrounds towards a Child-Friendly City, collaborating with the Rumah Sosial kutub in managing Zakat Infaq and Sodaqo funds for the Early Childhood Education program, also in collaboration with the National Coalition for Integrative Holistic Early Childhood Development.

In 2024, ars86care also conveyed the mandate to build the Dharma Wanita 1 Ketangirejo Village Kindergarten school, in Grobogan district as the 40th school built for Early Childhood Development. Thank you to the donors who continue to trust the ars86care foundation to continue working for the country.

Child-Friendly Playgrounds are part of a Child-Friendly City which accommodates children's activities for playing, recreation and filling free time as a form of fulfilling Children's Rights (article 31 - UN CRC).

ars86care actively promotes the importance of fulfilling children's rights in three programs' pillars for children , education, and environment.

FINANCIAL

ars86care has been striving during the prolonged pasca COVID pandemic years. In this uncertainty economic, Space to Build Program are still running, as well as Words to Share.

One school building project, Ketangirejo Kindergarten was successfully delivered in the second semester of 2024.

While 2024 funding was slightly under the previous year, thanks to ars86care loyal donors. 59% from the total fund in 2024 comes from the individuals.
